

Court of Appeals, State of Michigan

ORDER

People of MI v Norma Mary Abraham

Docket No. 279561

LC No. 2006-004621-FH

Christopher M. Murray
Presiding Judge

Michael J. Talbot

Kurtis T. Wilder
Judges

The Court orders that the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented.

MURRAY, P.J., would vacate defendant's sentence and remand this case to either allow defendant to withdraw her plea or to re-sentence her to a minimum of 19 months, which was consistent with her plea agreement. *People v Williams*, 464 Mich 174, 177; 626 NW2d 899 (2001). The record in this case clearly indicates that defendant and the prosecutor agreed (as did the court) that defendant would be sentenced to a minimum of 19 months. At sentencing, she was not sentenced to that minimum, and was not offered the opportunity to withdraw her plea. *Id.*
